Lacrosse Terminology

Beginning this month, we're introducing a Lacrosse Terminology section to help you learn some fun lacrosse lingo. This month's Lacrosse Terminology terms are "Bar Down" and "Worm Burner"

Bar Down: When the ball hits the bottom of the crossbar and immediately deflects downward while entering the net for a goal.

Worm Burner: When a player takes an aggressive, low-angled shot which lightly skims the ground.

Highlight of the Month

This month's Highlight of the Month is from Colorado Mammoth defenseman, Jordan Gilles. Gilles scored a beautiful goal on a textbook pick-and-roll with defenseman Joey Cupido. The goal came during the Colorado Mammoth's January 4th, 13-9 victory over the Vancouver Warriors.
